Item No.: WH #1

DIRECTOR: WHITE HOUSE SITUATION ROOM

FLD

SUBJECT: SOUTH VIETNAM--THE MILITARY SITUATION

25X1

~~308~~ 78

Some senior military officials are concerned that the recent Communist attacks in northwestern Military Region 3 may represent the opening of a campaign to isolate Tay Ninh Province, but these fears may be overdrawn. The Communists probably have increased the fighting in an attempt to regain the initiative from government forces, who have been successfully conducting sweep operations into their areas.
